PRESS RELEASE

CONVEYANT SYSTEMS, INC. RESPONDS TO AVAYA INC.'S SUCCESSFUL BID FOR NORTEL'S ENTERPRISE SOLUTIONS BUSINESS

Santa Ana, California, SEPTEMBER 15, 2009 -- Conveyant Systems, Inc., the telecommunications industry leading supplier of PC-based Attendant Console applications, reaffirmed its commitment to provide reliable, innovative, cost effective telecommunications solutions to Avaya and Nortel customers – today and in the future.

Tim Kenyon, President of Conveyant Systems, stated, "Avaya's acquisition of Nortel's Enterprise Solutions Business enables organizations to confidently move forward with deploying telecommunications solutions throughout their enterprise. As always, Conveyant's commitment to providing first-rate products and support for our TeleDirectory™ family of PC-based Consoles, and suite of telecommunications solutions, remains firm."

Kenyon added, "Conveyant looks forward to continuing development of our family of TeleDirectory PC-based Consoles, along with our portfolio of event and emergency notification solutions, E-911 products and services, specialized healthcare applications and more – for the Avaya and Nortel platforms. With over twenty years experience in the research, development and manufacturing of PC-Based Consoles, Conveyant Systems is uniquely positioned to take advantage of the merging worldwide market for Computer Telephony Integration."

ABOUT CONVEYANT SYSTEMS, INC.

Founded in 1987, Conveyant Systems develops, manufactures and markets call handling and processing systems for the PBX and Centrex marketplace. With over 6,000 TeleDirectory PC-based Consoles installed around the world, Conveyant remains the leader in specialized console applications and directory products. Conveyant's modular approach to application design provides for a variety of applications in healthcare, hospitality, public service, government, financial and higher education markets. Visit Conveyant Systems' website at <http://www.conveyant.com> or contact Conveyant Systems at (800) 634-3688 for more information about our company, products and services.
